

# John Arden Manning

Visual Designer & Front-End Developer

I am a dedicated visual designer & front-end developer with 15 years of professional experience crafting user-experiences and user-interfaces for the web.

## Professional Experience

### Production Designer @ Huge

June 2025 - September 2025 | 3 months | Austin, TX

Built a large-scale software prototype for a Fortune 10 company, gained experience in a fast-paced agency setting.

### Lead Web Designer @ Hazel Digital Media

2012 - 2022 | 10 years | Remote

Designed and developed dozens of websites, managing projects from start to finish and meeting tight deadlines.

### Graphic Designer @ Digital Solutions

2006 - 2009 | 3 years | Las Cruces, NM

Created and maintained website layouts, graphics, and multimedia content, worked closely with developers.

## Education & Certifications

### Google UX Design Professional Certificate

January 2025 - March 2025 | 3 months | Coursera

Completed all coursework assignments, designed mobile apps and responsive websites using Figma.

### New Mexico State University

2006 - 2009 | 3 years | Las Cruces, NM

Completed three years of college pursuing coursework in Fine Arts and Graphic Design.
